

Government Operations Committee
June 28, 2005 at 5:00 p.m.
City Council Chambers

Agenda

1. Quarterly Update - Bangor Water District
 - Introduction of Trustees and Staff
 - Grant request status for electric power generation project
 - Pursuing Forestry Management Certification
 - Five years without a lost time accident
 - Flushing the distribution system is in progress
 - Invitation to Council Members/staff – tour water supply and treatment facilities
 - Committee comments/questions

2. Council Order 05-205 Amending Parking Schedules X and XVI to Prohibit Loitering in Abbott Square Lot, Adler Lot and Haynes Court Parking Lot

This Order was tabled at the last Government Operations Committee meeting in order to allow staff to obtain further information in response to Committee questions. Staff is in the process of preparing that information, and we anticipate that it will be available prior to or at the meeting.

3. Request to Submit an Application to Recognize Bangor as One of the "100 Best Communities for Young People"

Health and Welfare Director Shawn Yardley is seeking the Committee's approval to coordinate an application process to submit Bangor for consideration as one of the 100 best communities for young people. This is a national initiative by America's Promise to bring positive attention to those communities who are providing successful programs and opportunities for our youth. Director Yardley will be present to provide more details on this initiative and the application process.
